DESCRIPTION

➤ **Activity:**

Dr. Leena Jagawat Mam had organized an interactive activity for the MMS 2024-2026, Division A and B, on 28/10/2024, focusing on the Determinants of Personality. The students were divided into groups, each assigned a specific determinant—heredity, environment, culture, and situation. Each group had to act out real-life scenarios representing their assigned determinant while ensuring clarity and engagement.

➤ **Objective:**

The primary objective of this activity was to enhance communication skills, listening abilities, and time management among the students while deepening their understanding of personality influences in an enjoyable and practical way.

➤ **Learnings:**

The key takeaways from this activity on Determinants of Personality were teamwork, effective listening, overcoming language barriers, and time management.

➤ **Feedback:**

The feedback for the Determinants of Personality activity was positive, highlighting its engaging and interactive nature. The activity successfully met its objectives of improving communication skills and time management, and was well-received for creating a collaborative and practical learning environment.
