Date(s) of conduction : 16th October 2024

Class / Sem : MMS semester I

Faculty coordinator : Dr. Vaibhav Patil, Dr. Monika Shrimali

Student coordinator/ committee : Anushka Pantoji, Pranav Kulkarni

DESCRIPTION

Objectives:

The objectives of **Investisiya 2024**, hosted by the Association of National Exchanges Members of India (ANMI), centered around driving the future growth of India's capital markets and achieving financial inclusivity. Key objectives included:

1. **Growth of Capital Markets:** Emphasize reforms and initiatives needed to accelerate the annual growth rate of the Indian capital markets to align with the country's vision for a developed economy.
2. **Cybersecurity in Financial Markets:** Promote robust cybersecurity strategies across all market participants, with a focus on bolstering investor trust and protecting market infrastructure.
3. **Inclusion of New-Age Startups:** Engage tech-driven startups to play an active role in India's capital market growth, aiming for innovation that contributes to a \$50 trillion market capitalization.
4. **ESG and Sustainable Investing:** Foster sustainable growth in capital markets by promoting environmental, social, and governance (ESG) practices, ensuring that capital market growth aligns with broader sustainability goals.
5. **Educational Collaboration:** Promote collaboration with educational institutions to develop specialized financial market courses and nurture a new generation of financial professionals.

These objectives reflect a focus on reform, innovation, cybersecurity, and sustainability, aimed at securing a globally competitive and inclusive financial ecosystem in India.

Key Takeaways:

1. **Expansion of Capital Markets:** Experts emphasized that India's capital market needs to grow by over 12% annually to align with the country's "Viksit Bharat" goals. This involves reforms, innovation, and technological advancements.
2. **Cybersecurity:** SEBI highlighted the importance of a robust cybersecurity framework for the capital markets, urging brokers to adopt measures to enhance investor confidence and protect market integrity.
3. **Focus on Technology and Startups:** Technology-driven startups were identified as key players in achieving India's long-term goal of a USD 50 trillion market capitalization.
4. **Inclusive Growth and Sustainability:** ANMI members pledged to focus on sustainable investing (via ESG criteria), enhancing financial inclusion, and improving gender balance in the capital markets.
5. **Educational Initiatives:** Collaborating with educational institutions to develop capital market-focused courses was suggested as a strategy to nurture talent and ensure the future growth of the financial sector.

These discussions signal a strong commitment toward building a more transparent, inclusive, and technologically advanced financial ecosystem in India, setting the stage for the country's future economic ascent.

Learning Outcomes:

1. Do not invest all the money in one basket
2. Invest in an asset that can beat inflation
3. Bet on the Customer's lifetime value
4. Invest in long-term securities as a safer option
5. In corporate cash is the fuel that runs the business
6. Look for companies who have great Capital allocation and stakeholder well-being
7. Seek the help of a Certified Financial Advisor for secure investment and good return.
