## TEACHING EXCELLENCE FOR INDIAN B-SCHOOLS

**Objective of the session:** An interactive session is organized by AIMS Mumbai chapter and Forum of Management Institutions. The following are the objectives of the session:

- Understanding Accreditation: Ensure that participants have a clear understanding of what accreditation (ACBSP) is, including its purpose, benefits, and the process involved.
- **Familiarization with Standards**: Provide an overview of the relevant standards and criteria required for accreditation in the specific field or industry.
- **Navigating the Accreditation Process**: Guide participants through the steps involved in the accreditation process, including application, evaluation, and renewal.
- **Preparation for Accreditation**: Offer practical advice and strategies for preparing an organization or program for accreditation, including documentation, self-assessment, and quality improvement measures.
- Addressing Common Challenges: Identify and discuss common challenges and pitfalls in the accreditation process, and offer solutions and best practices.
- **Role of Stakeholders**: Explain the roles and responsibilities of various stakeholders in the accreditation process, such as administrators, faculty, and staff.
- **Review of Case Studies**: Provide real-world examples or case studies to illustrate successful accreditation experiences and lessons learned.
- Interactive Q&A: Facilitate an interactive Q&A session where participants can ask

questions and discuss specific concerns related to their accreditation journey.

- **Resources and Support**: Share information about available resources, tools, and support systems to help participants in their accreditation efforts.
- Action Planning: Encourage participants to develop action plans for their own accreditation processes, incorporating the insights and knowledge gained during the session.
