DESCRIPTION

Objectives

1. To provide students with an in-depth understanding of the functioning of the National Stock Exchange (NSE), financial instruments, and trading mechanisms
2. To bridge the gap between theoretical knowledge gained in the MBA MMS curriculum and real-world financial market operations, facilitating a practical understanding of market dynamics.
3. To increase awareness about the importance of investor education and financial literacy as part of World Investor Week and encourage informed investment decisions among future managers.
4. To familiarize students with the regulatory frameworks governing the Indian stock market, including the role of institutions such as SEBI and NSE in ensuring transparency and investor protection.
5. To highlight global trends in investing and capital markets and how these trends influence the Indian stock market, thus broadening students' perspectives on international financial markets.

Key Takeaways

1. Enhanced Understanding of Financial Markets:

The visit provided students with an in-depth look at how the National Stock Exchange operates, including live trading processes, the regulatory framework, and the dynamics of capital markets.

2. Insights into Investor Protection:

Students gained valuable insights into investor protection mechanisms, financial literacy initiatives, and the role of the NSE in safeguarding investor interests, as highlighted during the World Investor Week activities

3. Practical Exposure to Trading Mechanisms:

Students observed the NSE's trading systems in action and understood stock trading, risk management, and the technologies that drive financial markets in India.

4. Relevance to Academic Curriculum:

The sessions bridged the gap between theoretical knowledge and real-world applications, reinforcing key MBA MMS curriculum concepts, particularly in subjects like Financial Markets, Securities Analysis, and Investment Management.

5. Networking Opportunities:

The event also provided students with the opportunity to network with NSE professionals, opening potential avenues for internships, mentorship, and future career opportunities in the financial sector.

6. Inspiration for Future Participation in Market Activities:

Many students expressed enthusiasm to engage further in market activities, take up NSE-related certifications, and stay updated on the latest market trends through NSE's educational initiatives and future events.

Learning Outcomes

1. Understanding of Stock Market Operations

Students will gain a foundational understanding of the operational mechanisms of the National Stock Exchange (NSE), including trading procedures, settlement processes, and market regulations.

2. Awareness of Financial Instruments

Students will develop familiarity with a variety of financial instruments traded in the stock market, such as stocks, bonds, derivatives, and exchange-traded funds (ETFs).

3. Knowledge of the Regulatory Framework

Students will learn about the regulatory environment governing the Indian financial markets, including the role of the Securities and Exchange Board of India (SEBI) and its importance in maintaining market integrity.

4. Practical Insights into Investor Behavior

Students will understand factors that influence investor decisions and market movements, providing them with insights into real-world investor psychology and behavior.

5. Application of Theoretical Knowledge

The visit will reinforce key concepts from their MBA MMS curriculum, such as portfolio management, risk analysis, and capital market theories, by providing practical examples from a leading financial institution.

6. Improved Financial Literacy

Students will enhance their financial literacy by learning key terminologies, trading strategies, and investment principles essential for making informed financial decisions.

7. Increased Awareness of Investor Protection

Students will learn about investor protection mechanisms, including financial education initiatives, dispute resolution, and the role of organizations like NSE in safeguarding investor interests.

Profile of resource person

Resource Person Name : Mr. Prathamesh Raut

Mr. Prathamesh Raut has done his MBA in finance and has been working with NSE for about a year. Mr. Prathamesh is working in the investor awareness and services team and also shouldering the responsibilities of the social stock exchange segment at NSE.

Empowering investors and capacity building through education and awareness in the securities market is of paramount importance to Mr. Prathamesh. He is hands on involved in leveraging several media vehicles to maximise the education and awareness outreach regarding the securities market to investors across the length and breadth of the country.

The awareness initiatives involve using traditional seminars, webinars and print media to increase awareness and also leverage the benefits of digital media which include engagement through social media channels, mobile app and Chabot.

Mr. Prathamesh is also passionately working towards the emergence of social stock exchange platform and assisting the NPOs to apply and get necessary funding by connecting the donors with social impact enterprises
